Are you considering writing as a career? This book is meant as a guide and reference for the new writer, but the experienced writer will find it useful as well. The information within the pages will help you turn your love of writing into a career, whether it be a copywriter, freelancer or novelist. The choice is yours. You will learn about the types of writing and be given a list of platforms that you can submit it to; whether it be articles on RS sites or a novel that you decide to self-publish. Once you learn the basics, the possibilities are endless. The third section is a list of service providers for writers. This is everything from App Creators to publishing companies, editors, illustrators and so much more. A writer should not have to go it alone, so feel free to ask questions. Get your copy today, and be on your way to earning cash with words tomorrow.
