Park City:: A Knoxville Neighborhood History (Brief History) Margery Bensey

Park City's tree-shaded streets frame a neighborhood with an identity all its own. The distinctive homes designed by famed architect George Barber lend Park City its unique visual appeal and local flavor. Yet behind the well-preserved, innovative architectural designs is a history that stretches back to Knoxville's earliest beginnings. Knox County's first sheriff, Robert Houston, was a Park City resident, establishing the county's first court in the late 1700s. Since then, Park City residents have helped shape Knoxville's history by shaping their community. Longtime Park City resident and local historian Margery W. Bensey tracks the history of its development from village to vibrant residential neighborhood. From stories of the first settlers and community events to the dramatic tale of a neighborhood duel, this is the complete Park City chronicle.
