Prechter's Perspective: Conversations with Bob Prechter, Legendary Market Theorist

Robert R. Prechter Jr., Peter Kendall

Prechter's Perspective: Conversations with Bob Prechter, Legendary Market Theorist Robert R. Prechter Jr., Peter Kendall

Prechter's Perspective gives you an inside look at the man named "Guru of the Decade" after winning the U.S. Trading Championship with a record 444.44% profit.

Prechter's Perspective compiles actual trading knowledge from a career that took Bob Prechter three decades to build. You'll get Bob's thoughts on how Fibonacci ratios can help you time the markets and when to use risk-limiting stops. You'll get his tips on ruling out emotional tendencies and using discipline to keep the markets in your favor.

This book gives you lots of detail about the markets over the last 25 years, but it's more than just a history lesson. Bob also teaches you about how the Wave Principle applies to anticipating the legacies of national leaders, trend changes in pop culture and the next big move in the markets (plus the little ones, too).

If you're a newcomer to Elliott Wave or if you're looking for the right resource to give a friend, family member or colleague, this 221-page newly revised edition of Prechter's Perspective is the best overview of the Wave Principle you can get.
