## 50 COSAS QUE HAY QUE SABER SOBRE POLITICA (Spanish Edition) DUPRE BEN

Desde el principio antes incluso de que el termino politica hubiera nacido en Grecia el hombre ha sido un animal politico. Hasta el punto de que uno de los rasgos definitorios de lo humano es precisamente su condicion de politico su necesidad de organizar la vida en sociedad. Y lo que se juega en la politica no es solo pese a lo que pudiera parecer en los tiempos que corren un reparto de cargos o prebendas o ni siquiera el poder sino la regulacion de las reglas de convivencia la vida en comun de todos. En 50 capitulos concisos y enriquecidos con citas y ejemplos contemporaneos el historiador britanico Ben Dupre desgrana con amenidad los fundamentos teoricos y practicos de la politica desde las ideas -libertad justicia- a las formas de gobierno -monarquia democracia tirania- o las ideologias -socialismo liberalismo anarquismo-. Y como nada humano le es ajeno a la politica aborda tambien las cuestiones mas candentes: la corrupcion el fundamentalismo la violencia la globalizacion la correccion politica o la influencia de los medios de comunicacion. Actualizado y didactico este libro ofrece algo mas que una introduccion a la politica: es una guia para no perderse en el laberinto de la realidad
