## **Baked Explorations: Classic American Desserts Reinvented** Matt Lewis, Renato Poliafito

Matt Lewis and Renato Poliafito's 2008 *Baked* was published to national critical acclaim and raved about across the blogosphere. Since then, their profile has gotten even bigger, with continued praise from Oprah and Martha Stewart; product availability in every Whole Foods across the U.S.; and a new bakery in Charleston, South Carolina, with even more traffic than their original Brooklyn location.

Now, in *Baked Explorations*, the authors give their signature "Baked" twists to famous desserts from across the country. Here is their take on our most treasured desserts: Banana Cream Pie, Black & White Cookies, Mississippi Mud Pie, and more—from the overworked to the underappreciated. Readers will love this collection of 75 recipes from breakfast treats to late-night confections and everything in between.

Praise for *Baked Explorations*:

"They might look like another pair of fresh-faced Brooklynites (retro tie and mustache? check), but Matt Lewis and Renato Poliafito, the owners of the Baked sweet shops in Brooklyn and Charleston, are media-savvy butter fiends . . . Those whoopie pies? Four sticks of buttery fun. Oh to be young, decadent and baked in Brooklyn."

*-The New York Times*

"Lewis and Poliafito take on more underappreciated desserts, giving beloved treats like black-and-white cookies and whoopie pies a modern makeover."

*-New York Daily News*
