What happens when his wife Madison catches him wearing her heels? He's crossdressed and sissified, of course! This 5 book bundle features panties, dresses and makeup—and not only on the women! READ ON>>>

1. **Caught & crossdressed by his wife:** Wife Madison catches Kyle in the closet wearing her things. What happens next is a thrill ride you won't want to miss (feminization erotica short story).

"Kyle, what the hell do you think you're doing?" Madison's voice sent a shock through Kyle's body. He whipped around and saw her standing at the closet door with her arms folded.

2. **Some Like it Hotter:** Nick helps his girlfriend Tessa perform 'Some Like it hot' at her college. Turns out, he gets turned on having to dress up in drag for the show (first time crossdressing erotica short story).

He was caught between pride and embarrassment over his unexpected erection.

3. **Party in his Dress:** He dresses up in girl clothes for a party. His girlfriend likes it—a lot! (crossdressing).

"I can actually feel all their eyes on me," Brandon said.

I glanced around and sure enough, a tall guy sipping a drink was undressing him from across the room.

"Sara, look, that guy right there is checking me out!"

"Well, you shouldn't look so hot then, I guess," I said, looking him in the eyes and was taken back. He looked pretty, too pretty.

4. **There's Something HARD in your Dress!:** Guys will go to great lengths to get laid. In this story, our hero has to improvise his way into a hookup with a lesbian (feminization, crossdressing).

"I want you to dress like a girl for me."

"No, you said less like a man."

"Yeah, like a sexy lady. You know, with long legs and big tits," she said, holding her hands out in front of her as if cupping breasts much larger than her own.

5. **The Sexiest:** Photo Gallery (bonus I)

6. **Now Put Them On:** Girlfriend Sophia wants a marriage proposal. She reads on a blog how a woman crossdressed her husband and he proposed so she does the same, with blue panties, makeup and pigtails. Will he propose? (bonus II)

“Well, I scoured some websites for a solution to my little problem and I came across a blog by a woman who sounded a lot like me, and when she described her relationship, it sounded a lot like us. This worked for her and I’m hoping it’ll work for me too.”
