## **Bear the Burn**

Royce is the first one back in Shifter Grove, just to check up on the old homestead he left so long ago. He was going to sell it but the moment he sets foot on it, he knows this is home. All he needs now is a sassy mate and when Tiana comes into his life, Royce isn't sure what's hotter - the curvy woman or the flames of fire!

## **Bear the Flame**

Redmond's a bad boy firefighter residing in California with *no* intentions of getting married. But one look at Rose makes him stutter and question his earlier conviction. And when her mob ex comes for her, Redmond knows what he needs to do. He won't lose her. Not for anything.

## **Bear the Blaze**

Ragnar has a dark past and a dull future ahead of him, but Abigail Ramirez is going to change it all. As an arson detective, his brothers call Ragnar to Shifter Grove to make sense of the multiple wildfires. What he finds there is a lot more sinister than expected. When the life of his mate is set in danger though, nothing can stop Ragnar.

## **Bear the Fire**

Rhodes is a hothead, wild and untamed. Haunted by his choices, he only comes to Shifter Grove for a short visit, but finding the one woman he has ever loved waiting for him there changes everything. Their passion never conformed to any rules and it won't this time, but can she heal his broken heart and battered faith, and can Rhodes put an end to the fires raging near his family home?
