More from the author

These little short story Flirts have been so much fun to write. I hope you enjoy seeing the main characters from the series pop in from time to time as much as I do. And of course it's always fun to see a snippet of their lives between books.

If you haven't read the rest of the Aloha Series, you're in for a treat. Full length novels about active duty and former navy men and the women and family they love and care about. Some have a little humor, others a little mystery, but all have a lot of heart. Mostly set in Kona around the Big Island Dive shop there's plenty of fun in the sun, so pour yourself a cool drink, put up your feet and enjoy the bestselling Aloha contemporary romance series.
