No Longer Will I Hide the Stranger in My Bed Patricia H. Williams

After almost 18 years in a severely abusive marriage, I was inspired to write this book to help others in similar situations. Some of the horrors that I experienced at the hands of my husband are so horrific that you'll wonder how I survived. Boiling-hot grits were thrown in my face. I was beaten with a belt buckle from my head to my feet. I was stuck with pins until I bled profusely. I survived only by the grace of God. Events like this were a common occurrence. My home was a war zone, with my husband using the ammunition of mental, verbal and physical abuse. I never knew how to play. No one prepared me for this kind of war. The Lord has delivered me from the pain - and he can do the same for you. Learn how God brought me out and find out how God can change the course of your life. ENDORSEMENT Touching, enlightening, overwhelming, and powerful are some of the words that come to mind when reading "No Longer Will I Hide the Stranger in My Bed". Patricia shares some very personal and private times in her life. She reveals intimate details about her childhood and how she grew up having to endure tragic things that should never happen to anyone, let alone an innocent child. She then goes on to share how she endured an abusive marriage, maintained a family and through it all continued to trust in God. This book gives hope to anyone whether you are in any kind of abusive relationship, whether physical, or mental, or not. This book is a must read for all! Enjoy!
