Love was not a part of the equation when it came to taking over the streets. Kadris and Kadrick are fraternal twin brothers and the sons of an infamous drug Lord that goes by the name of Kendrick. Practically being handed the keys to the city, the guys feel unstoppable until they meet Unique and Jewels. The two girls are in a league all of their own and like a moth to a flame, Kadris and Kadrick are captivated with them.

Growing up with a bougie mother that sheltered her daughter, Unique couldn't help but to grow up prissy and be green to the street life. But, when she links up with Kadrick she is introduced to a whole new world where she will have to learn how to stand on her own two feet.

Jewels wants nothing more than to open up and give Kadris her all, but the strained relationship she has with her mother causes her to keep up a guard. A guard of this kind may even steer Kadris in another direction.

When a chamber full of bullets are assigned to Kadris and Kadrick, Unique and Jewels are put to the ultimate test. Will they continue to hold their niggas down? Or, will they end up six feet under right next to their men?
