This book explains the most effective strategy for scoring well on the MCAT verbal reasoning section. It is the same strategy used by the author, who scored a perfect score on that same section. You simply won't find a better strategy for verbal reasoning. The book also contains a brief discussion on math techniques that you should use when taking the MCAT, such as rounding, graphs, and proportions. Three 30 minute verbal exams are included in the back of the book. It is recommended that you purchase more verbal exams with which to practice.
