Raki Maheson born of a low cast mother and Tamil father in the town of Salli, on the north- easterly tip of Sri Lanka occasionally invaded by the rebel forces of the Tamil Liberation fighters. All his salient traits of his personality are traceable to his strong low cast roots, which despises compromise and forbids diplomacy, contempt for privilege, love of argument, distrust of the religion and faith in humanist logic. These were some of the characteristics of the rugged folks of the Salli district from whom Raki sprang. A number of them, too, are readily prone to mental disorder of one kind or another.

On February 1985 Raki was arrested at his Orrs Hill home, after human remains had been identified as the cause of blocked drains. Within days he had confessed to fifteen gruesome murders over a period of four years. His victims, all young call girls, had never been missed. It is a story of a singular relationship between a mass murderer and society as some of the victims could have been spared, had the police been more efficient

DESCRIPTION:

Returning home to his homestead from the big city, middle aged Roy Travis Klyne and his friend and closest neighbor, Bates find something was strangely wrong in the household. His wife Louise, was sprawled on the floor barely able to breathe her clothes were in tatters she had bled profusely.

It took all his self-discipline to stop himself jumping up and grabbing her. There was a great bruise under her right eye, and her nose had been bleeding. A thread of black blood crept drily from the corner of her mouth, down across her chin, on her neck. And there were deep scratches around her throat.

He realized that Bates had also seen it at the same moment, hearing the strangled gasp, and feeling the man's body tense in the chair beside him, ready to leap up. Klyne reached across and seized his arm, squeezing it with all his strength.

They both heard her rant "They have murdered your wife and raped us repeatedly and almost killed me, they were not men but beasts." She sobbed.

"Who were they?"

They were men from your past, seeking vengeance, they said they gave what you deserved." She said pointing to the bedroom with a final gasp she dropped her head as the last breath went out of her.
