**Stolen Destiny (Destined Ones #1) (Destined Ones Duology) (Volume 1)** K.M. Scott, Gabrielle Bisset  
From New York Times and USA Today bestselling author K.M. Scott writing as Gabrielle Bisset, lose yourself in a world that turns on nothing less than fate! Tormented by his past, former police officer Varek Leale merely exists now since he lost his wife and daughter, barely alive in Nil when the Aeveren Council summons him to catch a serial murderer in New Hope, New York. Little does he know in exchange for his freedom, he'll be given a gift he was sure he'd never have again in his life, but if he isn't careful, it may slip right through his hands. Callia Reynolds has spent seven of her fifty Aeveren lifetimes without a destined one and wants nothing more than the happiness of love she sees all around her, but she's resigned herself to yet another lifetime alone. Her world will be turned upside down by the killings of her fellow Aeveren and the two men fate brings to her. In the Aeveren world, few are more powerful than Amon Kalins. Born with his powers, he can travel through time and manipulate it like no other of his kind. But with great power comes temptation, and when Amon has the chance to use his gifts for good to help catch the New Hope serial killer, the desire to have what he shouldn't may prove his undoing for while Varek possesses no powers, he isn't going to let anyone take away his second chance at happiness. Not even one of the most powerful beings in the Aeveren world.
