The Essene Gospel of Peace - Book Four: The Teachings of the Elect Jesus Christ

"It was in 1928 that Edmond Bordeaux Szekely first published his translation of Book One of The Essene Gospel of Peace, an ancient manuscript he had found in the Secret Archives of the Vatican as the result of limitless patience, faultless scholarship, and unerring intuition, a story told in his book, The Discovery of the Essene Gospel of Peace. The English version of this ancient manuscript appeared in 1937, and ever since, the little volume has traveled all over the world, appearing in different languages, and gaining every year more and more readers, until now, still with no commercial advertisement, over a million copies have been sold in the United States alone. It was not until almost fifty years after the first French translation that Book Two and Book Three appeared, and these also have now become classics of the Essene literature.

Book Four, The Teachings of the Elect, will come as a surprise to those readers who are aware of Dr. Szekely's death in 1979. if I were also a philologist, or scholar, or archeologist, I might be able to provide some explanation. But I am only his faithful famulus amanuensis, and the instructions he left me were clear and explicit: "Two years after my death, you shall publish Book Four of The Essene Gospel of Peace. " That was all, and I am now carrying out his wish."
