2nd EDITION!

IF YOUR LIFE IS PERFECT, DON'T BOTHER GETTING THIS BOOK.

If you are like the rest of us where you look at the past and think of all the times you wish life would give you a "Do Over", then this book is for you. Many of us either wish we had a second chance at life or relationship or something, or we know someone like that does. If so, this is a book you will want to read (and you can borrow it for free, so why not, right?).

Michael is more fortunate than most of us. Through a strange and what some would call a paranormal experience, he gets a second chance. The book begins by letting us see the changes he made. What follows is the eery path that gave him a chance to rethink life. While it is a thoughtful fictional story, most will recognize those same moments that Michael experiences. Do we all have a second chance? Read it and then watch what happens for yourself...

What if you can experience a second chance, too?

This book has been optioned by Bearfruit Films to be made into a full length feature film. The production is scheduled for early 2016. "We are excited to have this opportunity to make this story into a feature film. It is a great book, and will be an even greater movie." according to James Simmons, CEO of Bearfruit Films.
