**Dig up on another mystery with Detective Bruce Hutchinson in Difficulties! Follow the tracks of your favorite detective as he uncovers the secret of a world-renowned family legacy. Get ready to be mind-blown!**

**The secret of a cereal legacy is on the brink of exposure...**

It's finally happening – Bruce and Anne are moving in together, and they both couldn't be any happier. But after the series of nerve-racking cases that shook up Bruce's otherwise peaceful and happy personal life, he is being tormented by constant nightmares, forcing him to declare a career hiatus... This was until his favorite History teacher from high school – the peculiar, adventure-driven Mr. Landis, whose penchant for Battle Creek myths and legends has earned him a funny reputation, rings up and convinces Bruce to take a case on the Kellogg family's cereal secret: to fulfill the dying wish of their great patriarch, founder of the world-famous breakfast treat, the granola.

To Bruce and to all who know Mr. Landis, the case sounds light enough for a still-shaken-up Detective Hutchinson. After all, if it's coming from the imaginative, adventure-hungry Mr. Landis, it's probably just another fun, interesting legend, or a myth...

Or is it, really?
