"How do you know wildlife is there if you don't see it? This practical, educational guide is an excellent resource for interpreting the signs and clues that Texas wildlife has left behind. Great for outdoor and nature enthusiasts of all ages. This conveniently sized guide features color photographs of some common and elusive Texas mammal, reptile, bird, and amphibian species and their key identifiers most likely encountered — tracks, scat, or signs. Common and scientific names, size dimensions of wildlife and tracks, and other field signs are described in this guide. Field identification assistance and educational tips are also presented. This pocket-sized, 12-panel, laminated, waterproof guide is great for outdoor adventures."
