Whiteboard Quotes: Over 2,000 positive and thought inspiring short quotes Steven L. Hunter

This book is filled with quotes that are selected to be positive or thought provoking. There are a lot of quotes out there that are funny, but negative, and you won't see them here. The idea is to have positive and thought provoking messages that might possibly make someone's life better. The quotes also are short enough to fit on a small whiteboard, because that is where I originally put them. Since the quotes are short enough to fit on a small whiteboard, they also fit as text messages.
