Diana: The Last Year Donald Spoto

Best-selling biographer Spoto recounts all the pain, promise, & joy of the last year in the tragically short life of Diana, Princess of Wales. It was a turbulent period in which she formally severed her marriage ties to the heir to the British throne, fell in love with Dodi al-Fayed, & truly began to come into her own after years of personal adversity. In the first hours & days after the news of Diana's death in Paris shocked the world, major media outlets turned to Donald Spoto, who had written a history of the House of Windsor, for help in articulating the meaning of the tragedy & understanding its effect on the British monarchy, the worldwide public who loved her, & her own family. Here, Spoto tells for the first time the complete story of a woman in conflict. B&W photos.
