**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

## Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

## Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

## Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

## **Built by students for students.**

**Health: Making Choices for Life** distinguishes itself by speaking your language and helping you to apply the material to your life and implement real behavior change. Built from the ground up with student-generated content and incorporating technology that students use, this is the health book that you can relate to—the one that will inspire you to choose a healthy lifestyle.

The student-savvy approach is demonstrated in many different ways throughout the text and is built on an ultra-modern, magazine-style design with appealing photos and visuals that encourage you to read. Additionally, student stories in both the text and online provide real-life examples of important health issues. Unique, practical tools like the Choosing to Change Worksheets walk you through the steps of behavior change and help you to make informed decisions about your lifestyle choices. Lastly, the authors employ a conversational writing style that speaks directly to you while maintaining quality content and excellent academic rigor.
