"I'll Make Me a World" - James Weldon Johnson's Story of the Creation (Poem from Johnson's "God's Trombones") James Weldon Johnson

I believe that this is the first separate printing of Johnson's poem from his book "God's Trombones". It is beautifully illustrated in Full Color. The side page edges are scalloped and some of the pages are on Parchment paper. This edition has the Original Hallmark bookmarker with part of the poem printed on parchment design paper. From the Bookmarker: "James Weldon Johnson's story of creation was originally a rousing Negro sermon. Whimsical, colorful, reverent all at once, it endures now--forty years later--as a classic piece of folk literature."
