Life After Death Charlie Hayes

This text - and the Energy of Love from which it arose - is pointing to something that you don't know that you don't know. What could that be? Are you living a life you love? "Life After Death is a free-wheeling spiritual romp that points directly to the Truth of who you really are. . .deep down. The Author blasts open the doors of misperception with his very readable and entertaining style that compels the Reader to go both onward and inward. In the end, Charlie succeeds brilliantly in his mission to dis-illusion the Reader from the long-standing belief in the existence of an individual and separate "person-hood." Highly recommended. - Chuck Hillig, Author of Enlightenment for Beginners, The Way IT Is, Seeds for the Soul, Looking for God (Seeing the Whole in One) and The Magic King
