*Forever...*

*Starts with one night.*

Swearing off love, Leah Morgan finds no harm in one night of unbridled, mind-blowing fun. After all, what could go wrong with a single night of amazing heat and passion? Leah just never expected it to be so right. The memories of Declan James' mesmerizing gaze and searing touch still invade her every thought.

And now, one night is not nearly enough--for either of them.

But when Declan's past comes barreling back, neither one of them are ready for what entails. Together, they're forced to face their fears as old insecurities try to rip them apart. Can what they've created withstand what they thought they'd never be ready for?

*Please Note: This book contains adult language and scenes. Not intended for readers under the age of 18.*
