## **Practising German Grammar, 2Ed: A Workbook (Hodder Arnold Publication) (German Edition)**

Gudrun Loftus, Martin Durrell, Katrin Kohl

Revised and expanded, this lively and innovative workbook complements the third edition of the highly acclaimed 'Hammer's German Grammar and Usage'. Intended for use either with or without a teacher, the enlarged selection of exercises now covers all aspects of German grammar complete with answers and explanations where necessary.

'Practising German Grammar' is intended for students of German with a good basic command of communicative and oral skills now seeking to consolidate their knowledge of key grammatical structures of German. The uniquely varied selection of exercises caters for a number of different learning strategies and includes both practice of essential grammatical structures and also text-based exercises and projects by which students are encouraged to discover grammatical regularities themselves. Many are based on real-life sources such as newspapers, business literature and twentieth-century novels, and will allow students to gain an authentic sense of current usage.

All intermediate and advanced students of German will find the second edition of this best-selling workbook an invaluable aid to developing confidence and competence in grammar and usage.
