BJ Knights

We're in an age of green products, but many people continue to forget one area that really does need to be kept toxin-free - the home. It might have been fine to flush those chemicals down the drain once upon a time, but in the modern era most consumers really should know better. Sure, dangerous chemicals might smell nice, but they can have incredibly negative effects on the lives of those who use them. These products are safe to use at home, and they're also better for the environment.

This book will cover:

Why You Should Use To Baking Soda

The Many Uses For Baking Soda

Baking soda and vinegar- the ultimate combination.
