Conan the Barbarian (also known as Conan the Cimmerian) is a fictional sword and sorcery hero who originated in pulp fiction magazines and has since been adapted to books, comics, several films (including Conan the Barbarian and Conan the Destroyer), television programs (cartoon and live-action), video games, role-playing games and other media

Conan is a Cimmerian. From Robert E. Howard's writings (The Hyborian Age among others) it is known that the Cimmerians were based on the Celts or Gaels. He was born on a battlefield and is the son of a village blacksmith. Conan matured quickly as a youth and, by age fifteen, he was already a respected warrior who had participated in the destruction of the Aquilonian outpost of Venarium. After its demise, he was struck by wanderlust and began the adventures chronicled by Howard, encountering skulking monsters, evil wizards, tavern wenches, and beautiful princesses. He roamed throughout the Hyborian Agenations as a thief, outlaw, mercenary, and pirate. As he grew older, he began commanding larger units of men and escalating his ambitions. In his forties, he seized the crown of the tyrannical king of Aquilonia, the most powerful kingdom of the Hyborian Age, having strangled the previous ruler on the steps of the throne. Conan's adventures often result in him performing heroic feats, though his motivation for doing so is largely to protect his own survival or for personal gain.
