Part of the Grade 7 A Beka curriculum. This is the student work text from this World History course materials collection, Beka's SBN 66524.

History of the World leads students on a journey through time from Creation to the early 21st century. The Christian perspective is the thread that connects the past to the present in this fascinating narrative of world history, teaching students to recognize the hand of God in human events.

An abundance of full-color paintings, lithographs, and photos enhance the text. Colorful maps provide students with a geographic setting for historical events; time lines help them place events in the chronology of world history.
