More Than Human Lewis Blackwell

Award-winning photographer Tim Flach has spent years inquiring into the essential bond we have with animals. Now he presents the culmination of a career-long endeavor, an extraordinary body of work in which each image is more striking and powerful than the last.

Just as did Flach's highly acclaimed previous books, *Equus* and *Dogs*, *More than Human* will amaze and inspire, in a constant affirmation of the animal, whether it be rare or common, powerful or defenseless, odd or majestic. The book showcases a menagerie of creatures—pandas, tigers, bats, lions, orangutans, cobras, bullfrogs, chimpanzees, wolves, porcupines, elephants, owls, armadillos, among many others—as they have never been seen before. Shedding light on Flach's images will be an accessible collection of texts, written and edited by author Lewis Blackwell.

Praise for *More Than Human*:

“A gallery of animal portraits that are unlike anything we’ve seen before.” —*The Wall Street Journal*

“His technique is impeccable; this is one of the most gorgeous photography books of the year. But what makes it more than a coffee-table trifle is the way Flach's images connect us—with near-tactile sensation and soulfulness—to the creatures on display.” —NPR.org

“Arresting portraits that express photographer Flach's ‘sense of wonderment in nature.’” —*People*

“Astoundingly sharp images.” - The San Francisco Chronicle

“Compelling and unexpected.” —*The Denver Post*

“Treat yourself to the full glory of *More Than Human*, for the screen hardly does it justice.” —Brain Pickings.com

“A book of animal photographs guaranteed to dazzle viewers with their color, detail, clarity and, most of all, their uncanny ‘humanity.’”-- BookPage
