All my life I've heard shifters are savage. Primal. They're ruled by their instincts and take what they want. Logan is no different.

He says I belong to him. He says he'll have me whether I want it or not.

There's only one problem.

I've just been mated to Logan's twin brother. And he's not giving me up without a fight.

Possession is the 4th book in the Dawnclaw Alphas Paranormal Romance Series, featuring Alpha Males, Bad Boys, Werebears, and lots of explicit menage romance. It may be read as a standalone, but it is strongly encouraged you read Books #1-3 first, as Book 4 will contain massive spoilers. Some books may end in cliffhangers.
