Together We Heal (Fall and Rise Book 4) Chelsea M. Cameron

Trish Grant is not a romantic. Okay, so she may read her share of romance novels, but that doesn't mean she thinks that some fellow with a six pack is going to ride up on a horse and sweep her (literally) off her feet. Romance like that just isn't for her. It belongs on the page.

Max Greene noticed Trish at his cousin's funeral, of all places. She was hard to miss with her citrus-colored hair, violet contacts and fiery attitude.

Trish is just as captivated by Max. He makes her laugh, which is rare, and it doesn't hurt that he rocks blue hair and isn't put off by her resting bitch face.

On the outside, their relationship seems sweet and perfect, but that's a lie. To say that Trish's childhood was rocky is an understatement. She's a mess of scars and hangups and is convinced that there's no way Max is going to stick around. He's determined to prove to Trish that she's a girl worth loving, flaws and all.

Will she let Max in? Or will she give up her potential fairytale to protect her already-scarred heart from further damage?

This is a new adult novel and is not suitable for readers under the age of 17
