Workbook to Accompany Practical Statistics for Educators Ruth Ravid professor emerita National Louis University, Elizabeth Oyer

This clear and organized workbook serves as a supplement to the second edition of *Practical Statistics for Educators*. Chapter exercises in the workbook correspond to chapters in the textbook. This workbook contains many levels of questions, from knowledge/recall, to understanding, to application and, finally to analysis. The exercises are in a wide variety of formats, including completion, multiple-choice, short answers, and computation. Answers, often with detailed explanations, are provided at the end of each chapter, allowing students to more easily check their responses and ascertain their level of understanding. This workbook will undoubtedly help students increase their understanding of and apply what they have learned in *Practical Statistics For Educators*. Ravid's workbook is a practical and easy-to-use supplement to an already popular text!
