Antebellum American Culture: An Interpretive Anthology by Davis, David Brion published by D C Heath & Co Paperback

This volume offers students and teachers a unique view of American history prior to the Civil War. Distinguished historian David Brion Davis has chosen a diverse array of primary sources that show the actual concerns, hopes, fears, and understandings of ordinary antebellum Americans. He places these sources within a clear interpretative narrative that brings the documents to life and highlights themes that social and cultural historians have called to our attention in recent years.
