Controlling Pilot Error: Weather Terry Lankford

For pilots, weather is much bigger than small talk. This book discusses how to: resolve conflicts between what you see and what you're told; be prepared for 4 types of dangerous turbulence and 3 icing phenomena; get better information from weather-detection equipment; survive flying through little-known and unexpected weather events; avoid the misinterpretations, misunderstandings, and inadequate briefings lurking behind many weather-related aviation accidents; apply easy-to-use strategies to upgrade your weather savvy ; gain basic meteorological understanding that can save your life. "Fast & Focused Rx for Pilot Error" is the most effective aviation safety tools available. "Controlling Pilot Error" guides offer you expert protection against the causes of up to 80 per cent of aviation accidents - pilot mistakes. Each title provides: related case studies; valuable "save-yourself" techniques and safety tips; and clear and concise analysis of error sets.

From reader reviews:

Thomas Llanos:

Nowadays reading books be a little more than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one having theme for entertaining including comic or novel. The Controlling Pilot Error: Weather is kind of reserve which is giving the reader unstable experience.

Louis Cline:

Reading a e-book tends to be new life style on this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Many author can inspire all their reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Controlling Pilot Error: Weather.

Michael Banks:

Your reading 6th sense will not betray a person, why because this Controlling Pilot Error: Weather publication written by well-known writer who really knows well how to make book that can be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your hunger then you still question Controlling Pilot Error: Weather as good book not just by the cover but also by the content. This is one book that can break don't assess book by its handle, so do you still needing an additional sixth sense to pick this specific!? Oh come on your reading sixth sense already said so why you have to listening to yet another sixth sense.

Barbara Kyle:

Are you kind of active person, only have 10 or 15 minute in your day time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your short period of time to read it because all this time you only find publication that need more time to be study. Controlling Pilot Error: Weather can be your answer mainly because it can be read by an individual who have those short spare time problems.
