Hullo all!

My name is Anie, I'm autistic, and I wrote/illustrated a book on what it's like to live in my head. Visuals of my oversensitive sensory system, the surreal nature of living with Synesthesia, illustrated maps of social/sensory theories I've made to make sense of the world, the history of the people who live in my head, and more.

Temple Grandin says;

"I looked up your book on the internet and it is absolutely gorgeous. Your book is really beautiful and it should be published. I think it will help people understand the sensory world of a person with autism.

You are a really a great artist.

Anybody who is interested in creativity should experience your book.

Sincerely,

Temple Grandin, author

Thinking in Pictures and The Way I See It
