God's Messengers: What Animals Teach Us About the Divine Linda Anderson, Allen Anderson, Allen Schoen

Combining spiritual questions with heartwarming animal tales, God's Messengers will appeal to anyone who seeks the mystical in the everyday. The authors have gathered these accounts from a wide variety of people and divided them into four sections: Love, Wisdom, Courage, and Comfort. Each story answers a question, for example: Is there a God? Are prayers answered? and Is there a heaven? Throughout, wild and domesticated creatures teach humans about health, compassion, and unconditional love — birds, coyotes, dolphins, and iguanas, as well as cats, dogs, and horses. Readers will learn about a ferret who helped an autistic boy play baseball, a dolphin who was saved by a concerned community, and a dog who pulled hair from her tail in sympathy with a chemo patient. 50 black-and-white photographs accompany these amazing stories.
