Slaughterhouse High Robert Devereaux

It's prom night in the Demented States of America. A place where schools are built with secret passageways, rebellious teens get zippers installed in their mouths and genitals, and once a year, on that special night, one couple is slaughtered and the bits of their bodies are kept as souvenirs. But something's gone terribly wrong at Corundum High, where the secret killer is claiming a far higher body count than usual . . . Slaughterhouse High is Robert Devereaux's slicing satire of sex, death, and public education.
