Anthem against Obama

Brad Hennenfent

Anthem against Obama Brad Hennenfent

Anthem against Obama would have been called "Anthem against Obamacare" if there had been enough room. Dr. Hennenfent wanted more power for patients and less power for 3rd parties such as corporations and government. UNFORTUNATELY UNCARING 3RD PARTIES HAVE BEEN MADE MORE POWERFUL AGAIN. Anthem against Obama is an adaptation written by Bradley Hennenfent, M.D., of the 1938 novella entitled Anthem, which was originally written by Ayn Rand. A precocious child grows up being abused by the government during the future Dark Ages of America until he rebels in a frantic bid for freedom against impossible odds. Dr. Hennenfent has written an extensive afterword about power, socialism, economics, medicine, education, taxes, Ayn Rand, Objectivism, social networking, and the secrets behind the book. Dr. Hennenfent, who is a retired physician and economist, also explains an innovative, high-tech, way to reform healthcare so as to save more lives than ever before. Dr. Hennenfent's adaptation is an original derivative work that was not reviewed by, and is not authorized by, sponsored by, associated with, affiliated with, or approved by Ayn Rand (deceased), the Estate of Ayn Rand, Ayn Rand's heirs or successors, or the Ayn Rand Institute. Dr. Hennenfent's adaptation is for sale and distribution only in the United States of America, and any sale or distribution outside of the United States may be a violation in certain other countries of the copyright owned by the present copyright holder(s) of Ayn Rand's original novella. Shipping or distributing this book, in any form, outside of the USA may result in legal action against you.
