Inconvenience CAUSED: A choose-your-way story for adults (Deviant Destiny Book 1) Arthur Wright
42. Life, the universe and f###king everything. That's what it's supposed to mean, right? Well, in your case, being 42 means: ex-wife, a galaxy of pain and f###k all. But hey ho. Life goes on and all that.

YOU are a middle-aged recent divorcee, estranged from your ex-wife and kids, emerging from 6 months of self-imposed unemployed exile that had you smelling like a tramp's nut-sack. You reached an all-time-low when you found yourself urinating in someone's flowerbox at 11 o'clock on a Tuesday morning, as a line of primary school kids walked past on their way to the library.

Since then, following the advice of your mental well-being councillor, you have started to get a handle on your emotions, as a foundation for rebuilding your life. Inspired by a marginally unfashionable suit bought at a local charity shop, you start applying for jobs. Anything; you're not really fussy – so long as you can settle back into a routine that keeps you from self-destruction. After god knows how many rejected applications, you are finally invited to interview for a promising job that you're well suited to. It's a lifeline.

And so you get a haircut, shave, scrub off the grime, iron a shirt, put on the charity shop suit and hardly recognise yourself in the mirror. After the mess of god-knows-how-long, things are looking up and you are feeling positive. The interview's at 12:30, in central London. You live in Geoffham, a run-down old market town nobody's ever heard of, about fifty miles away. It should take an hour by train, according to the timetable, but the service is notoriously poor. Even the elderly off-peak users affectionately refer to it as 'the c###t line'.

You have practiced your mindfulness meditation and are determined not to lose it, regardless of how bad your rail experience is. But as the worst commuter experience nightmare unfolds, you find it increasingly difficult not to explode and make Medway Trains, the godawful train service provider, regret the day the ever messed with you.

Inconvenience CAUSED is a potentially deeply disturbing choose-your-way story for adults only.
