## **There is a sinister side to National Parks; one the Forest Service does not want you to know about...**

National Parks are a place for family fun, camping, and adventure. Millions of Americans and foreign tourists flock to National Parks around the globe each year. But for some, they go through the entrance, never to come out again.

In the last century close to 1100 people have disappeared while on a visit to a National Park, just in the USA. Yet, research into this high rate of missing people associated with various National Parks around America is difficult. The National Park Service does not want anyone to research the missing, according to one ex-officer.

Is a conspiracy in the works to ensure millions of visitors still come to the National Parks or is it a case of keeping details of an ongoing investigation quiet?

Find out as you explore some of the top USA National Parks:

**Discover why a conspiracy might revolve around Yosemite National Park**

**Learn how one little boy could be with his family only to end up missing in Rocky Mountain National Park forever**

**Find out why Denali has a high rate of missing persons and deaths attached to the park**

On your journey through this book, consider what is wisest when visiting a national park so you are not added to the list of "The 1100!"
