40 Days of Prayer: How to Become Closer to God in Your Daily Life Christine Lopez

Become Closer to God in Your Daily Life Through Prayer.

Read on your PC, Mac, smart phone, tablet or Kindle device.

This book contains 40 days of amazing prayer which will bring you closer to God in your daily life.

This is a Christian work. It is, therefore, a work which is squarely drawn from an understanding of man and his relationship with the God of the Christian Bible, and that this is possible only by first having a relationship with Jesus Christ.

This is not a book of transcendental meditation, nor a book of tools or techniques on how to be able to get the cosmos to do what we want. Instead, it is a book which seeks to give a perspective of, and to encourage devotion to the one and only God, who created the universe, and who wishes to have a relationship with you, and me, and all of mankind, as Father with His created children.

Anyone can read this book and gain benefit from doing so. The reader of this book might be what is called a “born again” Christian, a Christian by upbringing, tradition or culture, or he or she might not be a Christian at all. All three readers will find purpose in reading, reflecting on, and carrying out the exercises contained in the book. But those who will draw maximum benefit are in the first category.

Why? Because this book is about promises made, primarily though not exclusively, to these persons.

Inside this book is a prayer for each of the next 40 days and advice on continuing forward.
