## **A Bittersweet Pursuit** Scott Gordon McDonald

Ever see someone, and when you left their sight, you could not stop thinking about them? Or have you ever been a part of something so powerful, that when it was all over, it was still a part of you for years to come? It helped to define who you were? Did that person that you saw briefly make an impact on you? Did he/she pleasantly stain your mind, forcing you to take action, and when you did, only great things came from it? Life is about the impacts people and situations make on you and what you make of them. They define who you are. Sometimes it's hard to let go, but not being able to let go is when you know, that the person you saw for a split second was meant to be more than a passerby. That person was meant to help define and create you. Won't you let them?
