Chronicling The Legacy Of Your Ancestors: How To Establish Descendancy Records Through Obituary Research Ian C. Lohrman

Chronicling the Legacy of Your Ancestors is a guide to researching obituaries and other articles as source material for descendancy records. Obituaries can be one of the most useful types of record for moving your descendancy research forward because they frequently list the names and locations of the deceased family member's surviving relatives, providing a particularly unique link to succeeding generations. This book is a great tool for genealogy researchers interested in adding a new dimension to their family history by exploring descendancies. Descendancy research has the potential to give you a broader view of your family lines in the context of history and can help you make connections with other living relatives.
