Among nature's most fragilely beautiful creatures, butterflies are a delight to the eye as they flutter among the flowers of summer. Now children can re-create the loveliness of butterflies with this pocket-sized stained glass coloring book.

Included are boldly outlined drawings on translucent paper of the Monarch, Red Admiral, Angle Wing, Swallowtail, and four other butterfly varieties. Just follow the coloring directions on the inside back cover to produce beautiful lifelike butterflies, then place near a window or other bright light source for an exciting stained glass effect.
