A gold mine of practical, easy-to-use teaching methods, strategies, and tips to improve learning outcomes for students who score below proficiency levels. This fully revised and updated third edition of *Teaching Kids with Learning Difficulties in Today's Classroom* provides information on integrated learning, problem solving, and critical thinking in line with Common Core State Standards and 21st-century skills. It reflects the use of technology and schoolwide cluster grouping in support of all students and includes proven, practical, classroom-tested strategies and step-by-step instructions for how to use them. Sidebars throughout highlight special information for working with students on the autism spectrum; “tech tips” describe technologies that are especially useful for kids with LD. Digital content includes all of the book’s customizable forms, additional content organization charts, and a PDF presentation for book study groups and professional development.
