The God Business Philip José Farmer

When a mild-mannered college professor declares himself a god and takes over an Illinois town, declaring it his own Garden of Eden, what can be done? Especially when bullets and bombs refuse to explode and every man sent in to end the crisis doesn't return? Armed with only a tank of water, Daniel Temper set out to take back his town, talk sense into his old professor and remove the source of his power.

Philip José Farmer has created a crazy Wonderland filled with peril and insanity, where demigods hold fertility orgies, babbling men dig randomly and endlessly as punishment, and the Brew flows freely, removing all inhibitions!
