The Whale Done! School: Transforming a School's Culture by Catching Students Doing Things Right

James Ballard

THE WHALE DONE SCHOOL is the third in the Whale Done! series, focusing the proven power of positive attention on the process of educating children. Based on an actual school-turnaround story, the fable demonstrates how students' behavior and academic performance improves dramatically when teachers systematically employ the science of training killer whales - i.e. building trust, giving lots of attention to what their students do right, and redirecting wrong behavior to positive outcomes.
