Deep Influence: Unseen Practices That Will Revolutionize Your Leadership T. J. Addington

The path to truly influential leadership is found in the discipline of practices hidden from the public eye that deeply inform our public leadership. Our convictions, our call, our understanding of ourselves and heart commitments are where it all begins. Character, courage, wisdom, integrity, humility, spiritual depth, endurance, perseverance, kindness, and vision all come from a place deep inside our hearts and souls—the hidden interior and recesses of our lives, whose channels lead to deep veins of God’s work and molding.
