Women in British Public Life, 1914 - 50: Gender, Power and Social Policy (Women And Men In History) Helen Jones

An examination of the ways in which women challenged the British educational, employment and welfare systems after the franchise. Helen Jones explores how women adapted their strategies to confront the system from within, and what constraints were imposed on them. She also examines the active role that British women played in Continental Europe, and an important comparative chapter looks at the experience of women in France, Germany, Italy, Australia and the USA.
