Sloane

I'm not safe.

I haven't been safe for a while now.

I ran to Zeth for protection, but Zeth is in danger himself. With Julio on one side, and the leader of the Widow Makers MC on the other, the smartest thing to do would be to run. I've been running long enough, though.

This is the closest I've come to finding my sister in two years.

I can't back down now.

Zeth

My right hand man's being tortured in the basement.

The guy who tried to buy Sloane's virginity is burning rubber in our direction.

My psychotic boss is on a mission to find me, and the girl I'm supposed to be keeping safe has landed herself right in the middle of all of this.

Just another breezy weekend in the Californian desert.

What could possibly go wrong in the next 48 hours?
