Lethal Investments (Oslo Detectives) K. O. Dahl

A string of murders sucks the Oslo Detectives into a maelstrom of dark secrets in the latest from the master of Norwegian crime writing.

Award-winning author K.O. Dahl has achieved international acclaim with his Oslo Detectives series featuring inspectors Frølich and Gunnarstranda. Now he presents the riveting fourth book in the series, combining rare psychological insight and elegant prose.

Lethal Investments opens seven years prior to the case that started it all: *The Fourth Man*. It's the early nineties, and Oslo is driven by the rapid success of the IT boom. When Reidun Rosendal, a beautiful young woman, is found brutally murdered in her apartment, Inspectors Gunnarstranda and Frølich's top suspect is her lover?until he's discovered dead, too. A trail of clues points the team towards the software company where Reidun worked?a labyrinth of secrets where employees' business and the private lives intertwine in a thick web of hurried sexual dalliances, hushed affairs, and downright lies. When yet another body connected to Reidun surfaces, Gunnarstranda and Frølich must race against time to lay bare the murderer's dark secrets and stop the senseless killing.

Once again, Dahl's dark, lyrical writing and haunting, atmospheric setting bring new life to the modern noir mystery.

From reader reviews:

William Vogt:

What do you consider book? It is just for students because they are still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that query above. Every person has several personality and hobby per other. Don't to be compelled someone or something that they don't wish do that. You must know how great in addition to important the book Lethal Investments (Oslo Detectives). All type of book would you see on many resources. You can look for the internet sources or other social media.

Joshua Allen:

What do you concerning book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They must answer that question mainly because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need that Lethal Investments (Oslo Detectives) to read.

Carlos Pollard:

Here thing why this specific Lethal Investments (Oslo Detectives) are different and dependable to be yours. First of all studying a book is good but it depends in the content of it which is the content is as tasty as food or not. Lethal Investments (Oslo Detectives) giving you information deeper including different ways, you can find any book out there but there is no reserve that similar with Lethal Investments (Oslo Detectives). It gives you thrill looking at journey, its open up your current eyes about the thing which happened in the world which is maybe can be happened around you. You can bring everywhere like in area, café, or even in your method home by train. When you are having difficulties in bringing the branded book maybe the form of Lethal Investments (Oslo Detectives) in e-book can be your alternate.

Donald Fujita:

Lethal Investments (Oslo Detectives) can be one of your nice books that are good idea. We recommend that straight away because this reserve has good vocabulary that may increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort that will put every word into enjoyment arrangement in writing Lethal Investments (Oslo Detectives) but doesn't forget the main point, giving the reader the hottest in addition to based confirm resource information that maybe you can be one among it. This great information can certainly drawn you into new stage of crucial considering.
